PLACER COUNTY RESOURCE CONSERVATION DISTRICT MINUTES OF THE FINANCE COMMITTEE MEETING FEBRUARY 6, 2023

CALL TO ORDER

The Finance Committee of the Placer County Resource Conservation District (District /RCD) was called to order by RCD Board Vice Chair Steve Jones, 4:03 p.m., at 11641 Blocker Drive, Ste. 120, Auburn CA.

MEMBERS AND OTHERS PRESENT

Directors Present: Stephen (Steve) Jones

Kristin Lantz

Thomas (Tom) Wehri

Directors Absent: None

Others Present: Sarah Jones, RCD Executive Director

Donna Thomassen, Administration and Finance Manager

Kate Espinola, Executive Assistant

APPROVAL OF AGENDA

Steve Jones moved to approve the agenda as presented. Tom Wehri seconded, and the motion passed unanimously.

BUSINESS

New Business:

a) The committee will review and discuss Chipper Program finances.

Donna Thomassen presented the Profit and Loss report for landowner contributions (Chipper Program cost share fund) since the inception of the Chipper Program. Net income over this period totals \$305,260.45, this total includes money that should have been deducted from the cost share funds for property liability insurance and workman's comp required for the Chipper Program.

Tom Wehri suggested setting aside 10% of Sarah Jones time to the Chipper program.

Donna recommends assigning some of this net profit reflected in the current ending fund balance for the agency as a whole, as an unrestricted reserve to support the program for future needs. Assigned funds would remain in the Placer County Checking.

The cost of the 2 trucks recently purchased will be deducted from the cost share funds. Sarah will propose including a 3rd truck in the budget next year.

The committee derived at an assignment of \$100,000 to the chipper cost share funds based on the following:

- \$300,000 net income over 10 years
- \$100,000 estimated past insurance costs not charged to the program
- \$100,000 for the purchase of 2 new trucks
- Balance of \$100,000 for assignment

It was agreed that net profit of the fund balance will be transferred to the assigned account at the close of the fiscal year.

b) The committee will discuss financial policy development.

Andrea Drew, Drew Consulting provided Donna with some policies. Donna will create the following draft policies:

- Financial management policy
- Reserve policy
- Fee for service policy
- Contracting policy
- Investment policy

The committee will review the policies first then bring them to the board for approval. San Mateo and Inland Empire RCD's can help with policy examples.

ADJOURNMENT

The finance committee meeting was adjourned at 4:45 pm. The next finance committee meeting is scheduled for March 16, 2023, from 4:00 pm to 6:00 pm at the RCD office conference room.

Community Engagement and Outreach Specialist

Job Title: Community Engagement and Outreach Specialist

Reports To: Ag and Community Programs Manager

FLSA Status: Non-Exempt
Prepared Date: February 2023

Pay rate: \$26.00-\$32.00/hour (part-time)

SUMMARY

A goal of the Placer Resource Conservation District is to communicate and engage with District constituents and its communities thoughtfully and creatively. The Community Engagement and Outreach Specialist plays a crucial role in Placer RCD's efforts to connect with constituents and build partnerships. The role can be described within two broad tasks:

Task 1: Synthesize, Integrate, Translate, Express

- Synthesize and integrate the vision, strategic plan, communication plan, brand identity, values, mission, history, opportunities, and activities of the Placer RCD.
- Translate the information into a coherent, legible, and understandable way that effectively conveys the intended message to the target audience.
- Express (outreach) the information for its intended purpose using graphic design, photography, writing and press releases, social media, tabling events, communication planning, newsletters, public speaking, and website updates.

Collaboration Creativity Inclusion Integrity Transparency

Task 2: Amplify Partnership Potential

 Amplify partnership potential by working with program and administration staff to deepen or establish existing and new partnerships.

The ideal Community Engagement and Outreach Specialist candidate will embrace prospectivism by adapting emerging trends, identifying future needs, and shift perspectives of thought and communication as-needed. They should work to understand and integrate the diverse perspectives, motivations, and values of partners, government agencies, and landowners, meeting constituents where they are and progressively evolving community and outreach initiatives.

This position requires on-site and in-office work, but with the possibility of remote work upon approval. We offer a flexible work environment to accommodate our employee's needs and preferences.

DUTIES, RESPONSIBILITIES, SKILLS, AND QUALIFICATIONS

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Essential Duties and Responsibilities

- Collaborate directly with the Agriculture and Community Programs Manager to achieve community engagement and outreach goals and objectives.
- Work with program staff across agriculture, natural resources, and forestry departments.
- Create press releases, newsletters, and social media communications, and design print and web graphics.
- Plan and coordinate outreach events.
- Develop website and social media content, both written and graphic, to achieve outreach objectives.
- Assists with grant and document editing and proofreading.
- Facilitate communication between project partners and stakeholders.
- Assists staff with deepening and building relationships with conservation partners, landowners, and the public.
- Ability to get along and work effectively with others.
- Maintain regular and predictable attendance.
- Be available to work some evenings or weekends

Education and Experience

Bachelor's degree from four-year college or university; and three or more years related experience (training or practical work experience); or equivalent combination of education and experience.

Required Skills

- Valid California driver's license, clean driving record, and current auto insurance are required.
- Excellent communication skills, both written and verbal, are essential for success in this
 role. The ability to speak confidently and persuasively in public settings, and to engage
 effectively with diverse audiences, will be particularly important.
- Strong computer skills including use of, but not limited to, Microsoft Windows or Mac
 OS systems, and Microsoft Office (including Microsoft Outlook, Word, Excel, OneDrive,
 and PowerPoint).
- Display adeptness and practical experience in graphic design and typography with ability and willingness to adopt and utilize Placer RCD's graphic design identity.
- Intermediate proficiency in Adobe Creative Suite software, including InDesign, Photoshop, Illustrator, and Lightroom, is required.
- Proficient in social media management, including the ability to effectively tag and mention numerous partners.
- Have a proficient understanding of the predominant social media platforms and social media scheduling platforms.
- Possess a keen photographic sense and a fundamental grasp of DSLR camera operation.
- Ability to respond to customer inquiries or complaints, regulatory agencies, and business community members.
- Ability to write speeches and articles that conform to prescribed style and format
- Ability to present information to administrative staff, public groups, and boards of directors.
- Ability to calculate figures, interpret technical instructions, and draw valid conclusions.
- Ability to define problems, collect data, establish facts, and draw valid conclusions
- Ability to interpret technical instructions in mathematical or diagram form and deal with several abstract and concrete variables.
- Knowledge of basic office equipment.
- Proficiency and or adeptness in utilizing Wordpress for website maintenance and updating, as well as adeptness in the creation and management of email newsletters through Mailchimp or other similar service.

Preferred Skills

 Proficiency in video and audio editing and production, utilizing Adobe or other related software, would be a valuable asset.

Supervisory Responsibilities

This job has no supervisory duties.

Qualities and Qualifications

- Creativity, sense of humor, "can do" spirit, collegiality, flexibility, strong desire to learn.
- Demonstrate a commitment to continuous personal and professional development, and actively seek opportunities to expand skills and knowledge relevant to the job requirements.
- Demonstrate excellent teamwork and interpersonal skills.
- Event planning and coordination experience.
- Highly organized and motivated self-starter with the ability to prioritize.
- Knowledge of forestry, vegetation management, wildfire behavior, watershed stewardship and conservation, resource management, basic hydrology, basic soil science, native plant and animal communities, and/or restoration ecology.
- Physically able to work in the field (climbing in and out of streams, lifting, carrying supplies and equipment, planting, etcetera) during all seasons.
- Possess both the aptitude and eagerness to integrate novel technological advancements and software applications in order to effectively attain outreach objectives.
- The ideal candidate should possess experience and a willingness to effectively collaborate with a diverse range of organizations, each with their unique goals, values, and motivations.

MEASURES OF PERFORMANCE

The Community Engagement and Outreach Specialist will be considered performing in an acceptable manner when demonstrating skills in analytical thinking, design and graphic design, project coordination, event planning, oral and written communication, persuasive communication, teamwork, organizational support, adaptability, quality, and judgement.

REQUEST FOR PROPOSALS – PROFESSIONAL AUDITING SERVICES

I. INTRODUCTION

The Placer County Resource Conservation District (PCRCD or District) is requesting proposals from certified public accountant firms to conduct the annual financial audit, in addition to performing other tasks as noted in the scope of work below, for three fiscal years beginning July 1, 2022, and ending Jun 30, 2025, with an option of two one-year extensions. The proposal package shall present all-inclusive audit fees for each year of the contract term.

These audits are to be performed in accordance with auditing standards generally accepted in the United States of America, the standards set forth for financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the requirements of *Title 2 U.S. Office of Federal Regulations Part 200, Uniform Administrative Requirements for Federal Awards* (Uniform Guidance).

To be considered, all submissions responding to this request must be submitted to our office as stated below, no than **4:30 P.M. on March 31, 2023**. It is anticipated the selection of a firm will be completed by **April 14, 2023**. Following the notification of the selected firm, a recommendation and proposed contract will be prepared for review and approval by the District Board at its **April 27, 2023** meeting.

The District reserves the right to reject any or all proposals, to waive any non-material irregularities or information in any proposal, and to accept or reject any items or combination of items. Materials submitted by respondents are subject to public inspection under the California Public Records Act (Government Code Sec. 6250 et seq.), unless exempt.

II. SCOPE OF THE WORK TO BE PERFORMED

PCRCD desires an Independent Auditor's Report and its basic financial statements for the District to be prepared by the independent auditor and be fully compliant with all current GASB pronouncements.

The selected independent auditor will be required to provide the following services:

A The audit firm will perform an audit of all funds of the District. The audit will be conducted in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, issued by the Comptroller of the United States; generally accepted auditing standards as set forth by the American Institute of Certified Public Accounts; and the provisions of the Uniform Guidance, and applicable OMB Compliance Supplements, as applicable.

- B. The District's Independent Auditor's Report and Financial Statements will be prepared by the audit firm. The INDEPENDENT AUDITOR'S REPORT will be in full compliance with all current GASB pronouncements. The audit firm will render their auditors' report on the basic financial statements. The audit firm will also apply limited audit procedures to Management's Discussion and Analysis (MD&A) and required supplementary information pertaining to the General Fund and each major fund of the District. As of February 2023, the District currently only has one fund.
- C. PCRCD does not anticipate the need for a single audit on the expenditures of federal grants during the contract term. If a single audit becomes necessary, District will amend the contract with the selected auditor for the additional work.
- D. The audit firm shall issue a separate "management letter" that includes recommendations for improvements in internal control, accounting procedures and other significant observations that are considered to be non-reportable conditions. Management letters shall be addressed to the Executive Director.
- E. The audit firm shall provide, compile, and file the Annual Report of Financial Transactions to the State Controller of California, from data provided by the District staff.
- F. Without sacrificing the independent role of the audit firm, the selected firm will be available to District staff during the year to answer questions about appropriate accounting treatment, offer suggestions regarding new accounting standards, and similar support for the purpose of educating staff and producing high-quality financial reports.
- G. The District closes its books in September and will be ready for audit field work by October of each year. The auditor shall provide all drafts and recommendations for improvements to the Executive Director within a reasonable time period after the last day of field work. The auditor should be available for any meetings that may be necessary to discuss the draft audit reports. Once all issues of discussion are resolved, the completed INDEPENDENT AUDITOR'S REPORT, Basic Financial Statements, and other reports shall be delivered to the Board. This process will be completed, and the final products be delivered by December 31st of each year.
- H. All working papers and reports must be retained at the auditor's expense for a minimum of seven (7) years, unless the firm is notified in writing by District of the need to extend the retention period. The auditor will be required to make working papers available to the District. In addition, the firm shall respond to the reasonable inquiries of successor auditors and allow successor auditors to review working papers relating to matters of continuing accounting significance. Auditors shall be required to make an immediate, written report of all irregularities and illegal acts or indications of illegal acts of which they become aware to the following parties: District Executive Director; District Counsel; and the Board.

III. DESCRIPTION OF THE DISTRICT

The Placer County Resource Conservation District is an independent, self-governing special district dedicated to the conservation of natural resources. Formed in 1946, Placer RCD develops and supports programs through partnerships with private landowners and public agencies to accomplish conservation goals. Placer RCD provides assistance and manages projects throughout all of western Placer county, up to the Tahoe Basin, covering approximately 1,500 square miles of diverse stakeholders, habitat, and agricultural enterprises, from the Sacramento Valley floor over the crest of the Sierra Nevada's down the eastern slope to the Nevada State line.

IV. TIME REQUIREMENTS AND EVALUATION PROCESS

The following is a list of key dates for the selection of an auditing firm:

Date	Activity
March 1, 2023	Request for proposals issued
March 31, 2023	Due date for proposals (due by 4:30 p.m.)
TBD	Oral interviews (conducted at District's discretion)
April 14, 2023	Notification of recommended auditing firm
April 27, 2023	Agreement awarded by District Board of Directors

Proposals shall be evaluated based on the following criteria (listed in random order without regard to order of importance):

- Expertise and qualifications of assigned staff, including prior experience in performing similar work for public sector clients
- Audit methodology and approach
- Responsiveness to the requirements of the RFP
- Recent references from comparable clients

The District retains full discretion in determining the applicability and weight of the criteria listed above. Cost proposals will be considered only after proposals have been evaluated and ranked. During the evaluation process, the PCRCD reserves the right, where it may serve the PCRCD's best interest, to request additional information or clarification from proposers, or to allow corrections of errors or omissions. Also, at the discretion of PCRCD, firms submitting proposals may be requested to make oral presentations as part of the evaluation process.

V. ASSISTANCE TO BE PROVIDED TO THE AUDITOR & REPORT PREPARATION

District staff will be available during the audit to assist the firm by providing information, documentation, and explanations. In addition, the District will provide the auditor with reasonable work space, desks, chairs, access to internet connectivity, and photocopying machines. Report preparation, editing, printing, tabbing, and binding shall be the responsibility of the auditor. The auditor shall provide 7 copies and a digital file in Adobe Acrobat format of the following:

Annual Financial Report, including Management Discussion and Analysis, Independent Auditor Report, Basic Financial Statements, Notes to the Basic Financial Statements, Required Supplementary Information and Government Auditing Standards Report on Internal Control Over Financial Reporting and on Compliance.

VI. PROPOSAL REQUIREMENTS

- A General Requirements
 - 1. Inquiries concerning the Request for Proposals and the subject of the Request for Proposals must be made to:

Sarah Jones, Executive Director 11641 Blocker Dr., Suite 120 Auburn, CA 95603 (530) 390-6680 sarah@placerrcd.ord 2. The delivery address to be used for all submissions, shall be received by the District by 4:30 p.m. on March 31, 2023 for a proposal to be considered.

The Proposal should be clearly identified as "Audit Services Proposal" and be addressed as follows:

Placer County Resource Conservation District Attn: Sarah Jones, Executive Director 11641 Blocker Dr., Suite 120 Auburn, CA 95603

Electronic submissions, sent via email to sarah@placerrcd.org, will be accepted in PDF format

 The Proposal should address the items listed in sections B and C below and submitted in two parts; the Technical Proposal and the Cost Proposal, as described below.

Proposals must be valid for a minimum of 90 days.

B. Technical Proposal

The Technical Proposal must include:

- 1. Title Page showing the request for proposals subject; the firm's name; the name, address, and telephone number of the contact person; and the date of the proposal.
- 2. Table of Contents identifying the materials submitted by section and page number.
- 3. Signed Transmittal Letter briefly stating the firm's understanding of the work to be done; the commitment to perform the work within the time period; and the name(s) of the person(s) authorized to represent the firm, title, address, and telephone number.
- 4. Detailed Proposal as described below.

The purpose of the Technical Proposal is to demonstrate the qualifications, competence and capacity of the firm seeking to undertake an independent audit of the District in conformity with the requirements of this request for proposals. As such, the substance of proposals will carry more weight than the form or manner of presentation. The Technical Proposal should demonstrate the qualifications of the firm and of the particular staff to be assigned to this engagement. It should also specify an audit approach that will meet the request for proposals requirements.

The Technical Proposal should exclude any cost information, which should only be included in the sealed Cost Proposal.

The proposal should be prepared simply and economically, providing a straightforward, concise description of the firm's capabilities to satisfy the requirements of this request for proposals. While additional data may be presented, the following subjects must be included. They represent the criteria against which the proposal will be evaluated.

1. License to Practice in California.

An affirmative statement must be included verifying the firm and all assigned key professional staff are properly licensed to practice in California.

2. Independence.

The firm must provide an affirmative statement that it is independent of the Placer County Resource Conservation District as defined by auditing standards generally accepted in the United States of America and the General Accounting Office's *Government Auditing Standards*.

3. Firm Qualifications and Experience.

The firm must have extensive experience in audits of local governments as well as experience with preparation of Annual Financial Statements prepared in accordance with GAAP. The proposal should include the size of the firm, the size of the firm's governmental audit staff, the location of the office from which the work on this engagement is to be performed, and the number and nature of the professional staff to be employed in this engagement on a fulltime basis and the number and nature of the staff to be so employed on a part-time basis. Staff consistency is an important consideration. The proposal must include a list of all current municipal clients.

The firm is also required to submit a copy of a report on its most recent external quality control review (peer review), with a statement whether that quality control review included a review of specific government engagements (required by current *Government Auditing Standards*). The proposal shall also include information on the results of any Federal or State desk reviews or field reviews of its audits during the past three (3) years. The proposal shall include information on the circumstances and status of any disciplinary action taken or pending against the firm during the past three (3) years with State regulatory bodies or professional organizations, if applicable.

4. Partner, Supervisory and Staff Qualifications and Experience.

Identify the principal supervisory and management staff, including engagement partners, managers, other supervisors and specialists who would be assigned to this engagement. Include resumes, indicating whether

each such person is registered or licensed to practice as a certified public account in California. Provide information on the government auditing experience of each person, including information on relevant continuing professional education for the past (3) three years and membership in professional organizations relevant to the performance of this audit. Indicate how the consistent assignment of staff over the term of the agreement will be assured.

5. <u>Similar Engagements with Other Government Entities.</u>

For the firm's staff that will be assigned responsibility for the audit, list five completed engagements similar to the work described in this request for proposals. Indicate the scope of work, date, engagement partners, total hours, and the name and telephone number of the principal client contact. Also, please indicate whether the audit was part of a Annual Financial Report prepared in conformance with GAAP requirements. Although the PCRCD does not anticipate a Single Audit during the contract term, the selected firm will have experience performing Single Audits. The District reserves the right to contact any or all the listed references regarding the audit services performed by the audit firm.

6. Specific Audit Approach.

The proposal should set forth a work plan, including an explanation of the audit methodology to be followed, to perform the services required in this request for proposals. In developing the work plan, reference should be made to such sources of information as District's budget and related materials, organizational charts, manuals, programs, and financial and other management information systems. The proposal should include the following information about the firm's audit approach:

- Proposed phases of the audit and staff hours assigned to each phase for the engagement;
- Description of analytical procedures to be used in the engagement, including sampling;
- ➤ Approach to be taken to understand, review and make recommendations regarding the District's internal control structure;
- ➤ Description of any anticipated potential audit problems, the firm's approach to resolving these problems and any special assistance that will be requested from PCRCD.

NO DOLLAR AMOUNTS SHOULD BE INCLUDED IN THE TECHNICAL PROPOSAL

C. Cost Proposal

The cost proposal should contain all detailed pricing information relative to performing the audit engagement as described in this request for proposals. The total all-inclusive maximum price to be bid is to contain all direct and indirect costs, including all out of pocket expenses.

There is no expressed or implied obligation for the District to reimburse responding firms for any expenses incurred in preparing proposals in response to this request. Such costs should not be included in the proposal.

Progress payment will be made based on hours of work completed during the course of the engagement and out-of-pocket expenses incurred in accordance with the firm's proposal. Interim billings shall cover a period of not less than a calendar month.

The Cost Proposal shall be sealed in a separate envelope or as a separate pdf file (if sent electronically) and clearly marked or named as "Cost Proposal."

VII. PUBLIC NATURE OF PROPOSAL MATERIALS

All proposals submitted in response to this RFP shall become the property of the PCRCD and may be used by PCRCD for any purpose. Proposals received by PCRCD shall not be returned to the Proposer. If a Proposal contains information that the Proposer considers proprietary and confidential, it shall be the responsibility of the Proposer (and not the PCRCD) to specify which items of information are proprietary and clearly identify in writing which specific pieces of information are proprietary at the time the proposal is submitted. It shall be insufficient for the Proposer to merely identify the entire Proposal or an entire page or set of pages as proprietary. With respect to information deemed proprietary, the procedures set forth below shall be observed. Not-to-exceed sums, hourly rates, and other similar information, that may be set forth in a proposal shall not constitute proprietary information nor shall any information readily available to the general public or any other information not regarded as proprietary and confidential under federal or state law.

To comply with the California Public Records Act (Govt. Code Section 6250, et. seq.), PCRCD reserves the right to make copies of a Proposer's proposal available for inspection and copying by members of the public (including proposals which may contain information the Proposer regards as proprietary in nature), unless the PCRCD's legal counsel determines that the information which the Proposer regards as proprietary may be withheld pursuant to applicable provisions of the California Public Records Act or other applicable state or federal law. In the event PCRCD intends to disclose records containing information the Proposer has specifically identified as being proprietary and confidential, PCRCD shall notify the Proposer in writing of its intent to release such information. The Proposer shall then have five (5) working days after PCRCD's issuance of its notice to give PCRCD written notice of the Proposer's objection to PCRCD's release of proprietary

information. PCRCD will not release the proprietary information after receipt of the objection notice from the Proposer unless: (i) the objection notice is not received by PCRCD until after the close of business on the 5th day following PCRCD's issuance of the notice of intent to disclose; (ii) ordered to release the information by a court of competent jurisdiction; or (iii) the Proposer's objection notice fails to include a fully executed indemnification agreement wherein the Proposer agrees to indemnify, defend and hold harmless PCRCD, and its elected and appointed officials, officers, directors, employees and agents from and against all liability, loss, cost or expense (including attorneys' fees) arising out of any legal action brought to compel the release of records containing the proprietary information which the Proposer wishes to withhold.

Project Updates

Placer Riparian Restoration (USFWS Partners Program)

Project is ongoing with the potential to do habitat plantings at the Lincoln High School Farm with potential exclusion fencing to-be-determined. Met with Hidden Valley HOA board president to discuss cost-share assistance and will work to develop additional sources of funding to remove a known source of red sesbania in Miners Ravine.

Ag Tour

The Ag Tour committee met to discuss the theme of this year which is centered around economic and ecological adaptations farm operations are making to remain competitive and resilient.

Atwood Nature Preserve Monitoring

Annual report is finished but I have nobody to send it to at Army Corp of Engineers – I'm waiting to hear back from them.

2022 Annual Report

Vision is set with material collection to begin soon before composition.

Grants and Proposals

2023 NACD Urban and Community Grant Initiative / USDA Urban Ag Innovation Grant

I have been meeting with potential partners and community leaders (Health Education Council and Supervisor Gore, for example) to identify needs or shovel ready projects that we can contribute to.

For the NACD Urban and Community Grant Initiative I will propose additional technical assistance, a food gleaning program, and the development of a Placer County Garden Network and Leadership Program.

For the USDA Urban Ag Innovation Grant I will either apply for an implementation grant that will serve existing community gardens or apply for a planning grant that will focus on innovating urban agriculture approaches in Roseville, CA.

CDFW Riparian Restoration Grant

I've been meeting with stakeholders including Greg McKenzie, City of Roseville Parks Dept., and others to discuss needs as I write the proposal.

Sierra Nevada Alliance

The Sierra Nevada Alliance sent an email to its members asking for potential funding ideas that address endangers or threatened species. I provided for project ideas that have been forwarded to a private donor. I'm waiting to hear back.

PENDING: CDFA Specialty Crop Block Grant

This has been submitted and I'm waiting to hear back.

AWARDED: Conservation Agriculture Planning Grant Program

We have been awarded \$20,200 (likely more when completed) to develop three conservation plans – two for soil health management and one carbon farm plan.

AWARDED: WCB Pollinator Habitat

We have been awarded \$427,278.88 for pollinator habitat work in Placer County through the Wildlife Conservation Board (WCB). Work has already begin with a planting at Phillips Park in Roseville.

<u>Staff Report – Allison Erny, Forestry Project Manager</u> Prepared 2/24/2023

Placer County Coordinated Fuel Break, Phase II Block Grant (Applegate)

Cordi and I met with the new Jesuit Retreat Center site manager to discuss plans for continued fuel break maintenance and prescribed burns within the fuel break. We also worked with Kate/Donna/SDRMA to get revised insurance certificates allowing us to work on Jesuit center property.

NRCS Forestry 2/RCPP - Landowner Technical Assistance

No site visits during this period. I have been working with One Tree Planted to discuss the possibility of funding the cost of seedlings for reforestation for NRCS EQIP clients within the River Fire.

Prescribed Burning on Private Lands

Helping out with burns as needed and as available.

North Fork Shaded Fuel Break, Phase II

Still awaiting completed MND from CAL FIRE. Staff turnover in their archaeology department could further delay approval of the MND. The archaeological report draft has been submitted to RCD by Far Western for review, and we provide monthly updates to the landowners on project status.

Placer Co. Parks - Hidden Falls

RCD submitted required project documents on July 1st and is still awaiting feedback from Placer County. Received a few emails about the project this month but have not had time to dive back into this project.

Forestry & Natural Resources Mentorship Program

The Program hosted two more virtual workshops on Diversity, Equity, Inclusion and Justice. We hosted two career panels for the students: "Celebrating Black Careers in Forestry" in honor of Black History Month, and a workshop on careers in UC Cooperative Extension. We also hosted a student/mentor mixer at the Sierra Cascade Logging Conference in partnership with California Women in Timber. I continue to meet with the Steering Committee regularly to discuss opportunities for program improvement. Grant reporting, invoice review, interface with CAL FIRE re: grant-related questions.

Mosquito Fire

Hazard tree removal has been slightly delayed in Michigan Bluff due to delays in debris removal (debris removal/asbestos abatement must be done before tree removal). Weather has also delayed the start of work. Work can start up again once the weather improves.

Cordi Craig, Prescribed Fire Program Manager Board Meeting February 28, 2023

Forestland Steward Newsletter:

- Winter 2023 approved by CAL FIRE; final edits will be collected from the committee and planning to send to print on Monday, 2/27 "Winter 2023: Future of Forestry Part Three"
- Marketing campaign has begun waiting on

Prescribed Burning on Private Lands (PBPL) and COCO (AIM)

Funding:

- Cordi has submitted a Concept Proposal to COCO AIM for another \$75,000 on Friday, 2/24. Notification of advancement will be made in March 2023.
- Planning to submit a Fire Prevention Grant on March 15,
 2023. Budget details and SOW to come.

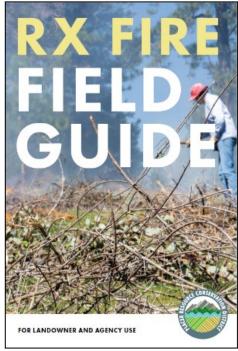

Field Guide:

- CAL FIRE not only approved the Field Guide, but would like it to be featured as the primary resource for private landowners. The final document will be featured on CAL FIRE's new online burn permitting website: www.burnpermit.fire.ca.gov
- Working with local NEU unit for final changes. Hoping to have published roll out by mid-March

Prescribed Burn Association (Placer PBA):

- PBA listserv now has 237 members
- RCD has now burned 14.5 acres in Applegate, Colfax, and Grass Valley through the PBA
- Since August, 15 technical assistance site visits have been completed specific for prescribed burning
- Cordi will release a survey to find out how many individuals have actively burned their own properties.
- A virtual speaker series (6 different speakers) has begun with presentations on cost-share programs, unit prep and mitigation, DIY Rx fire equipment, Cultural Burning, and fuels reduction methods. Speakers are presenting from February through May.

- Four workshops have been hosted (Iowa Hill, Alta, Foresthill, Applegate) and on March 4, RCD will host one in Colfax. Chris Paulus and Cordi are taking workshops on the road-presenting in El Dorado County (March 11) and Tuolumne County (March 25). Overall, 98 community members have been trained.
- PBA Advisory Committee has been formed including members from CAL FIRE, Todd's Valley Miwok Maidu Cultural Foundation, United Auburn Indian Community, NRCS, and UC

- Cooperative Extension. The committee is helping to ensure that checks and balances remain in place the PBA continues to work towards the mission.
- Cordi is working on liability documents to ensure that landowners are well trained to use Placer
 RCD equipment (COCO funding covers training opportunities);

Partner Meetings:

 Quarterly meetings are being held between the RCD, Todd's Valley Miwok Maidu Cultural Foundation, the United Auburn Indian Community, and NRCS. These have been valuable for establishing close partnerships between RCD, tribal organizations, and federal agencies. It has created opportunities to collaborate on prescribed fire events, workshops, and demonstration burns.
